Circle City Multi-Sport is a club for the beginner or the semi pro. Whether you're a sprint distance or Ironman, broad based membership provides an excellent forum for every multi-sport athlete. We want this club to be about YOU! During race season we'll host a club tent at a number of local events. You can meet and get ready for

the race as well as utilize the site for last minute emergencies (fix a flat, adjust your gears, lost your swim goggles, etc.). After the race we'll get together for some good socializing and share how your race went. Good, bad or otherwise we enjoy being around like minded athletes sharing our experience. The club will be a source of camaraderie, support and encouragement during training and races...when we need it the most.
